

A person is standing in the center of the frame, positioned between the legs of a giant whose legs are visible on either side. The scene is dramatically lit from behind, creating a bright glow that filters through the legs of the giant, casting long shadows and highlighting the person's silhouette. The overall mood is one of being overwhelmed or dwarfed by a much larger entity.

**Don't  
compare  
yourself with  
any one in  
this world.**

**If you compare,  
you are insulting  
yourself.**

**No one will  
manufacture a  
lock without a key.**

**Similarly God won't  
give problems without  
solutions.**

*Life laughs at  
you when you are  
unhappy...*

*Life smiles at you when  
you are happy...*

*Life salutes you when  
you make others happy...*

**Every successful person has a  
painful story.  
Every painful story has a  
successful ending.**

**Accept the pain and get  
ready for success.**

**Easy is to judge the mistakes of others.  
Difficult is to recognize our own mistakes.**

**It is easier to protect your feet with slippers  
than to cover the earth with carpet.**

**No one can go back and  
change a bad beginning;**

**But anyone can start now and  
create a successful ending.**

**If a problem can be  
solved, no need to  
worry about it.**

**If a problem cannot be  
solved what is the use of  
worrying?**

If you miss an  
opportunity  
don't fill the eyes  
with tears.

It will hide  
another better  
opportunity in  
front of you

**"Changing the Face" can change nothing.  
But "Facing the Change" can change everything.**

**Don't complain about others;  
Change yourself if you want peace.**

**Mistakes are painful when they happen.**

**But year's later collection of  
mistakes is called experience,  
which leads to success.**

**Be bold when you loose  
and be calm when you win.**

**Heated gold becomes  
ornament. Beaten copper  
becomes wires. Depleted  
stone becomes statue. So the  
more pain you get in life you  
become more valuable.**
